

Perfect-fit ERP for the LBM industry

LMC Technology is excited to announce a new NAP program with Intact iQ, an LBM industry-specific ERP solution provider and LMC 3 Star Rebating Supplier!

Your Future. One Solution.

Intact iQ is an award-winning, internationally recognized, technology provider of ERP solutions specifically engineered for the LBM industry. For over three decades, they've been carefully engineering a complete end-to-end ERP solution that redefines customization, flexibility, and automation for lumber and building material suppliers. Their sector expertise, commitment to excellence, and dedication to clients underscores the reason Intact enjoys a retention rate of 98%.
